*Program available to HomeTrust Bank customers only. Referral must be a new personal checking customer to the bank and a referral coupon must be presented at account opening. For Visa® gift card details see card carrier.

A \$25 Visa® gift card will be mailed to referrer's primary checking address four weeks from qualified account opening. The fifth referral earns the referrer a \$100 gift card instead of \$25. Referring customer can receive up to \$575 for up to 20 referrals per calendar year.

Referred customer must open a new HomeTrust Bank personal checking account with money not currently deposited with HomeTrust Bank. Customer must order a debit card at the time of account opening. All accounts are subject to normal approval process and opening balance requirements. Signers on HomeTrust Bank checking accounts closed within prior three months are ineligible.

HomeTrust Bank employees are not eligible to participate as Referrer or Referee. Payments subject to IRS tax reporting requirements. Offer subject to change or termination at any time.
